HE DOUBTED IT.
"I'm an orphan, sir," she said;
He tenderly consoled her,
And when he saw it pleased her, too,
His sympathy grew bolder.
"Poor, lonely one," he said,
"I also am another;
'Twould be the thing, I'm sure, if I
Should kiss you for your mother."
He did, but 'e'en that thoughtful deed
Seemed hardly to suffice her;
She murmured: "I forgot to say
My pa was married twice, sir."

SMALL ACCIDENT

To Trolley Car Yesterday Afternoon on East Second Street.

Yesterday afternoon while en route to the circus grounds a trailer attached to a street-car jumped the track a short distance East of Limestone bridge, the j-r throwing several from their seats to the ground.

Among the number was Miss Ethel McMillan of Dover, who is here attending the Teachers' Institute. In the fall she received a contusion on the head and was otherwise bruised, but we are glad to learn not seriously injured. Others were considerably shaken up, but more frightened than hurt.

The month of September ushers in the Jewish autumn holidays. There will be rejoicing, fasting and praying. Jewish holidays are not always occasions of joy. The Jewish New Year, or Rosh Hashona, as it is called by its Hebrew name, is one of these holidays which are spent partly in rejoicing and partly in supplicating. Rosh Hashona, according to the old Hebrew calendar, comes on the first day of Tishri. This year it will mean September 9th. The orthodox Jews celebrate two days. The Reformed, or German Jews, celebrate only one day.

TALK ABOUT GOOD THINGS

We have so many in our new fall lines of Clothing, Furnishings, Hats and Shoes that we cannot tell you of all in the papers. Men's Suits from \$7.50 to \$15 that are fully worth from \$12 to \$20. Our \$18, \$20 and \$25 Suits can only be duplicated by good merchant tailors and would cost twice the price. Our "College Brand" Clothes for Young Men are already the town talk. Boys, make your selection whilst the stock is full. If you don't want it yet we'll hang it up for you. If you conclude later that you do not want it you need not take it. Mothers, see our Boys' Fall School Suits that we have marked to sell at \$2.50, \$3 and \$4. They are great values. It's said by parents that have bought them that we sell the best Boys' Shoes that ever were sold in Maysville. We "reckon" it's so, for we sell a lot of them and never hear the usual complaints that parents make about the boys wearing out their shoes so quick. As to Men's Shoes—oh, well, ask those that buy them of us.

OUR SECOND GREAT SEMI-ANNUAL CLEARANCE SALE

Begins Monday, August 12th,

And continues until every job in our house is sold. Last summer we contracted for extra advertising space in order to draw your attention to our sale; advertised a great and sweeping clean-up sale; stuck to the letter to what we advertised, and as a result had the most satisfactory Buggy Sale ever held in Maysville carrying over one buggy only. This year we do not intend to have one rig left in our repository, and are marking the vehicles at such ridiculously low prices, and backing them up with such a strong guarantee, that you cannot help but buy if you are needing a rig of any kind. The case is this: We have the Vehicles and need the money; you have the money and need the Vehicles. Now is your opportunity.

We include in the sale all Buggies, Runabouts, Surreys, Phaetons and Carts in our repository. Don't you think it will pay you to investigate?

ROBINSON'S GREAT CIRCUS

Delighted Thousands at Maysville Yesterday—Big and Good; Clean and Honest—Ideal Weather

"Governor" John Robinson, Col. E. C. Cullen and "Doc" Waddell, in charge of the great Robinson aggregation, certainly delivered the goods yesterday and gave two magnificent performances at the Ball Park in the East End.

The day and the conditions were ideal for the exhibitions, and the 10,000 enthusiasts who packed the big canvas auditorium at the afternoon performance never had a dull moment.

There was a perfect whirlwind of astonishing feats and surprises and no flaming circus bill ever came nearer filling its bombastic promises.

It was a great show and our limited space only prevents a detailed description of the striking features.

BODY RECOVERED

Charles O'Brien, Steward on the Monitor, Met Death in the Ohio

The body found floating in the Ohio river yesterday afternoon near the Infirmary by Mr. Lewis Pelham while coming to this city in his launch is, undoubtedly, that of Charles O'Brien of Cincinnati. The supposed stab in the breast, which gave rise to foul play, was caused by the blades of the propeller when the body passed under the boat.

O'Brien was steward of the steamer Monitor, and was drowned Tuesday morning. He fell into the river when the boat was passing Manchester.

He is described as being about 35 years of age, 5 feet and 7 inches tall and weighing 140 pounds. He was of light complexion and had red hair. O'Brien has a brother in Cincinnati, John O'Brien, steamboat painter at the dry docks above Cincinnati. In case the body is recovered Charles Gramp of 304 Sycamore street, an old friend of O'Brien, asked to be notified.

THERE IS A VAST DIFFERENCE IN SHOES

AT THE SAME PRICE!

Two pairs shoes may look alike and be the same price, yet one pair may be worth more than the other. The reputation of the maker decides the difference. It has been our business not only to sell shoes, but to select the good makers—men who have won a reputation by carefully watching every process of manufacture and producing shoes which guarantee satisfaction to the wearer.

When we selected this "Queen Quality" as our leading woman's shoe we were convinced that the manufacturer of these shoes had reached the acme of perfection. And yet each season has shown a vast improvement over the old.

We are now ready to show you the NEW FALL STYLES, and will ask you to be the impartial judge of their real worth and merit.
